| <p><i>Note 1. This certificate will not be valid if the manufacturer makes any changes or modifications to the approved type of equipment, which have not been notified to, and agreed with the approved body named on this certificate.</i></p> |
| <p><i>Note 2. During the period of validity of this certificate the applicable regulations (international conventions and the relevant resolutions and circulars of the IMO) and testing standards may change, therefore the product conformity may need to be re-assessed by the Approved Body.</i></p> |
| <p><i>Note 3. "The Mark of Conformity" may only be affixed to the above type approved equipment and a Manufacturer's Declaration of Conformity issued when the production-control phase module (D, E or F) of Schedule 2 of the Merchant Shipping (Marine Equipment) Regulations 2016, as amended is fully complied with and controlled by a written inspection agreement with an approved body.</i></p> |
| <p><i>Note 4. In case limitations of use apply, these should be indicated in the Annex.</i></p> |

ANNEX TO UK TYPE-EXAMINATION (MODULE B) CERTIFICATE

Certificate No. CS/24/043/03/MED/3316B

Issued by Fleetwood Notified Body - UK-Approved Body Number 0514

SCHEDULE OF APPROVAL

Page **4** of **4**

Limitations and Requirements:

Lifejackets shall be supplied with full donning, service and maintenance instructions, including a description of any spare parts and their replacement, and any other information required for proper care and use of the product in compliance with SOLAS requirements.

Should the specified regulations or standards be amended during the period of validity of this certificate, the product is to be reapproved, prior to it being placed on the market and on board vessels to which the amended regulations or standards apply.
